One day, Dad was reading a book in  
the big chair.

Along came a dog  
"Can I hear the story too?"  
She climbed in the chair and Dad  
read the story.

Along came a cat.

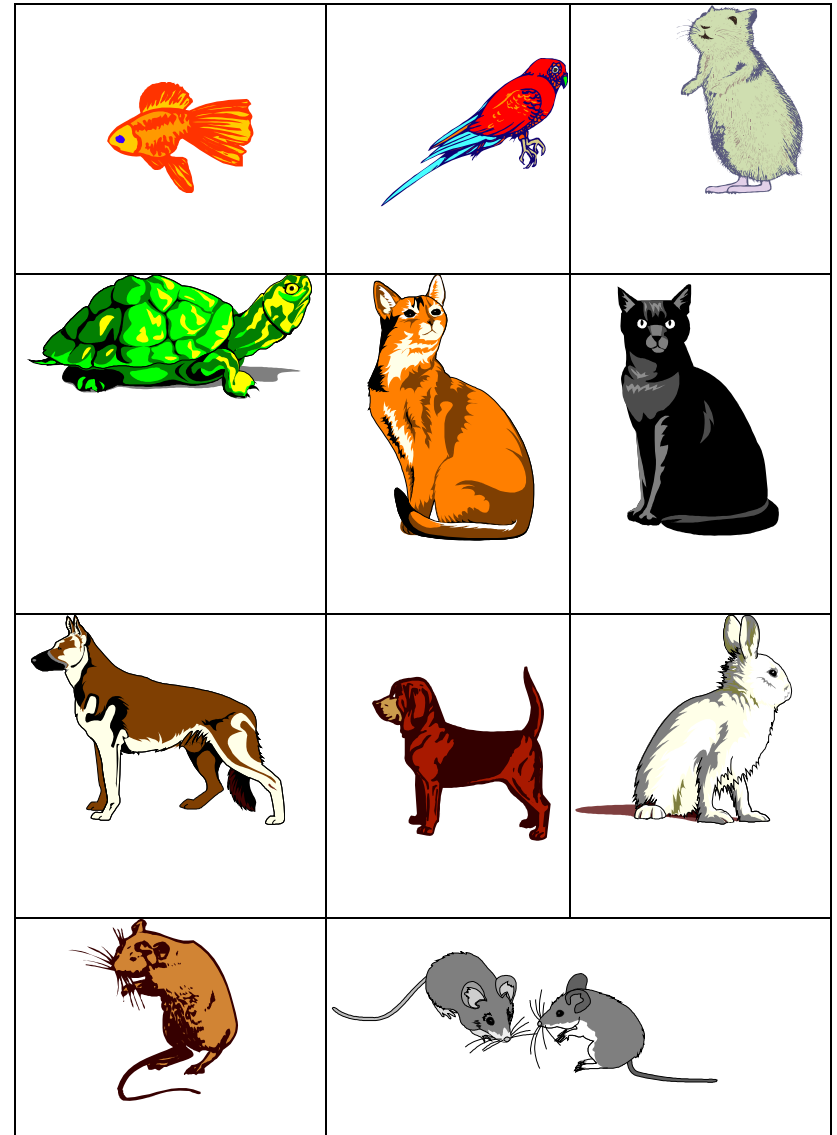

"Can I hear the story too?"

She climbed in the chair with  
Herizon and the dog and Dad read  
the story again.

Along came two mice.

"Can we hear the story too?"

They climbed in the chair with  
Herizon and the dog and the cat  
and Dad read the story again.

Along came a rabbit.  
 "Can I hear the story too?"  
 She climbed in the chair with  
 Herizon and the dog and the cat  
 and the mice. They all snuggled up  
 with Dad and he read the story  
 again.
